Newton Hall Equitation Centre is one of the largest and best regarded riding centres in the East of England. Established over 50 years ago by the highly respected Rossie Theobald, it is a renowned BHS Training Centre. The business includes a riding school, livery enterprise and training and show centre. In recent years an impressive modern indoor school complex has been developed, which offers first class, up to date facilities including cafeteria, air-conditioned offices and lecture rooms, high quality stabling and shower and washing facilities. The vendors have recently applied for planning permission to demolish an existing staff hostel and replace it with a managers dwelling with associated student accommodation.
